The Health Sciences Library (HSL), located in Prior Hall, provides innovative services and resources to support the education and research efforts of Ohio State’s faculty, staff and students.

Our creative and experienced faculty and staff offer services such as specialized research support and consultation, medical illustration, and video production. Additionally, the HSL provides comprehensive print, electronic, and special collections.

The Library offers customers a computer lab, group and quiet study spaces, and collaborative spaces throughout the building.

The Health Sciences Library’s website highlights our most popular resources and tools and provides information on how to access all HSL resources and services.

Medical Heritage Center

The Medical Heritage Center (MHC) preserves, promotes, teaches and celebrates the healthcare legacy of central Ohio as the essential foundation from which the future of the health sciences is born. Located on the fifth floor, the MHC’s holdings include rare books, archives and artifacts.

- The rare books collection contains over 16,000 volumes representing limited edition and one-of-a-kind monographs dating back to 1555.
- The archives include the papers and memorabilia from regional and nationally recognized luminaries as well as local health sciences organizations.
- The artifacts within the Center’s collection represent medical equipment used as early as the 1800’s and range from those now perceived as quackery to those that were truly innovations of their time.

Mission & Vision

Mission Statement:
Connecting people with knowledge to encourage inquiry, innovation and collaboration.

Vision Statement:
To be a recognized leader in providing customized access to information and unique knowledge strategies.

Who We Serve
- Faculty, staff, and students from:
  - Health Sciences Colleges
  - Office of Health Sciences Centers and Institutes
  - Medical Center and affiliated hospitals
  - Other OSU faculty, staff, students
  - Patients and their families
  - Students from other OhioLINK institutions

The Library serves as a resource for anyone seeking health-related information and solutions.
