Processing Notes
This material was processed May 8, 2017 by Anthony Bowersock and Kristin Rodgers.

Property Rights
The Ohio State University Medical Heritage Center owns the property rights to this collection.

Provenance
Since 2016 as an activity of the MHC’s Legacy Subcommittee and in partnership with The Ohio State University Archives, oral histories have been conducted to collect the contemporary health sciences history of the University for present and future generations. This oral history is one in that series and was conducted November 29, 2016 by David Bahner.

Related Collections
- The Ohio State University Archives has placed the audio and transcript of this oral history into the Knowledge Bank.

HISTORICAL SKETCH
Richard Nelson is a graduate of the Ohio State University College of Medicine and completed his emergency medicine residency at Summa Akron City Hospital. He has served as President of the Ohio Chapter American College of Emergency Physicians as well as President of the Columbus Medical Association. He was President of the
American Board of Emergency Medicine in 2011-2012 where he also chaired the Initial Certification Task Force and the Test Development Committee. He is a Delegate from Ohio to the American Medical Association House of Delegates. He has served as Medical Director of Emergency Medicine and Hyperbaric Medicine at OSU, and also served as Vice Chair of Clinical Affairs for a number of years. He currently is Medical Director of Morehouse AfterHours Care Clinic. His academic and research interests include environmental emergencies, disaster preparedness, hyperbaric medicine, testing and simulation technology, and medical-legal and legislative issues in emergency medicine.

SCOPE AND CONTENT NOTE
The Richard Nelson, MD Oral History (0.25 linear feet) contains the video of the oral history conducted November 29, 2016 by David Bahner.
